

Who we are:

Parry Sound Community Garden's (PSCG) are operated collectively by gardeners on lands owned by the Parry Sound District Social Services Administration Board (PSDSSAB) and the Town of Parry Sound as well as Canadore College and Parry Sound Non-Profit Housing. Our continued use of this land depends on maintaining good relationships with PSDSSAB, the Town of Parry Sound, Canadore College, the community and the surrounding neighbourhoods. We should respect the interests of our fellow gardeners and the community that we share our gardening space with. To promote this and to ensure that the needs of the Gardens and the requirements of our insurance policy and relevant Parry Sound town ordinances are met, the PSCG Steering Committee requires all gardeners to agree to and abide by these rules. The PSCG was created to fulfill a need in the community for a space to garden as well as to support Harvest Share and other community based food sharing agencies/programs. In lieu of paying a monetary amount to use the garden space, a donation of **20%** of all produce harvested must be donated to agencies/programs which may include PSDSSAB, Esprit Place, Parry Sound Friendship Centre, Salvation Army Food Bank and Harvest Share Parry Sound for distribution through their programs

Consequences of Rule Violations

The cooperation of **all** gardeners is needed to ensure that Parry Sound Community Garden runs smoothly and that we can maintain our obligations to our property and neighbours. If a gardener violates the agreed-upon rules, the Committee will address the violation as follows.

You will be notified that you have forfeited your plot if you:

- Abandon your plot
- Fail to remedy any violation of the rules by the deadline in a second notice

Violation procedures

- If a violation is noted, the Committee sends the primary plot holder a **first notice** by mail, (or will contact to personally discuss the situation) indicating the problem and the deadline for correction. A reasonable amount of time will be given.
- If the problem is not corrected by the first-notice deadline, the Committee issues a **second and final notice** by mail or will contact via phone or email. It restates the problem and indicates both the deadline for correction and the consequences of failing to correct the problem: **immediate plot forfeiture.** I _____ understand that neither the garden group nor owners of the land are responsible for my actions. I THEREFORE AGREE TO HOLD HARMLESS THE GARDEN GROUP AND OWNERS OF THE LAND FOR ANY LIABILITY, DAMAGE, LOSS OR CLAIM THAT OCCURS IN CONNECTION WITH USE OF THE GARDEN BY ME OR ANY OF MY GUESTS.
